Cake Banner

1. Download the file and print it. Print on heavy stock if you wish.
2. You will need a string to hang your banner. You can use just about anything: raffia, curling ribbon, fishing line or twine.
3. Cut out each pennant.
4. For each pennant, fold along the dotted line with the unprinted side facing away from you. Wrap over your string, then tape or glue the flap to secure the pennant to the string.
5. Tape or tie both ends of the banner to a straw.
6. Stick the straw into your cake and they are ready for the party.

For extra fun, decorate with ribbons, bows, glitter or whatever inspires you to make it uniquely yours!
