\*Prescription Program includes up to a 30-day supply for \$4 and a 90-day supply for \$10 of some covered generic drugs at commonly prescribed dosages. Higher dosages cost more. Prices for some drugs covered by the Prescription Program may be higher or vary in some states including, but not necessarily limited to, CA and MN. For important information regarding Walmart's Patient accessibility program, including the availability of language interpretive services, please see the last page.

† Prepackaged drugs are covered only in unit sizes specified on Drug List (back page). Other restrictions may apply. See Program Details or your Walmart Pharmacist for details.

Program pricing may be limited to select manufacturers of a covered drug and is available as long as supplies from such manufacturers are in stock at the dispensing pharmacy.
