2. Eligibility Criteria

Primary Cardholders and Supplemental Cardholders may qualify to set up an Installment Plan if all of the following criteria is met at the time of purchase:

2.1 The Primary Cardholder is not a resident of Quebec;

2.2 The Primary Cardholder’s Account is in Good Standing; and

2.3 An Eligible Installment Plan Purchase is charged to the Primary Cardholder’s Account.

3. About the Installment Plan

3.1 The Installment Plan is a payment plan where you or a Supplemental Cardholder can elect to have Eligible Installment Plan Purchases billed to your Account in equal monthly installments. When a Monthly Installment Charge is due, it is charged to your Account.

3.2 When you make an order online at Walmart.ca or on the Walmart App, each item (or a group of items) on a single receipt is an Eligible Installment Plan Purchase that will be converted to a separate Installment Plan on the Posting Date of the item(s); items that have not shipped will not be converted into an Installment Plan until shipped (i.e., the Posting Date). This means that you may have multiple Installment Plans when you make a purchase at Walmart.ca or on the Walmart App.

For example: if your Walmart.ca order has three purchased items where item 1 is shipped on January 1 and items 2 and 3 are shipped on January 16, then item 1 will be converted to an Installment Plan on January 1 and items 2 and 3 will be converted to a separate Installment Plan on January 16 (as the item will be charged to your Account on the shipping date).

3.3 When an Installment Plan is chosen, your available Credit Limit will be reduced by the full amount of your Eligible Installment Plan Purchase on the applicable Posting Date, despite the fact that only the Monthly Installment Charge will be applied to your Account. At all times, your available Credit Limit will be reduced by the total outstanding balance of your Installment Plan(s). You should always be aware of your available Credit Limit, which you can review in your monthly Statement of Account under the “Payment Information” section, or obtain by contacting us as set out in Section 8 below.

4. Installment Plan Set Up Fees

4.1 In consideration for allowing you to set up an Installment Plan, you agree that we will charge you a Set Up Fee.

4.2 The Set Up Fee will be billed to your Account on the Posting Date of the Eligible Installment Plan Purchase.

4.3 The Set Up Fee is non-refundable (including if all or a portion of an Installment Plan purchase is returned), unless you cancel the Installment Plan within 30 days of it being set up.

4.4 We may offer you special or promotional Set Up Fee offers, which if accepted may change the Set Up Fee from the amount disclosed in these Terms and Conditions. Any change to the Set Up Fee will be disclosed to you prior to your agreement to set up an Installment Plan.

5. Monthly Installment Charge

5.1 When you or a Supplemental Cardholder agree to set up an Installment Plan, you agree that the Monthly Installment Charge (as determined in accordance with Section 5.2) will be applied to your Account every month until each Eligible Installment Plan Purchase has been fully charged to your Account.

5.2 The Monthly Installment Charge is determined by dividing the total of the Eligible Installment Plan Purchase by the Repayment Period. For example, if your Eligible Installment Plan Purchase is \$240.00, your Monthly Installment Charge will be \$40.00. Your last Monthly Installment Charge may be higher than the previous Monthly Installment Charges, as the Eligible Installment Plan Purchase may not be evenly divisible by the number of months in the Repayment Period.

5.3 The Monthly Installment Charge will appear on your monthly Statement of Account as a charge in the “Details of Your Transactions” section, beginning on your first monthly Statement of Account following the Posting Date of an Installment Plan. The Monthly Installment Charge is treated just like a purchase transaction charged to your Account (including any interest accrual) in accordance with your Cardholder Agreement. If you shop at Walmart.ca or on the Walmart App, you may have multiple Installment Plans associated with your purchase and multiple Monthly Installment Charges reflected on your Statement of Account as described in Section 3.2 above.

5.4 A summary of the remaining Installment Plan balances that have not yet been charged will be summarized in the “Promotional Payment Plans” section of your monthly Statement of Account.

5.5 Payments you make, and credits received for Eligible Installment Plan Purchase returns will be applied to your Account and not to the Installment Plan. Your Installment Plan will not be impacted by payments to your Account or items returned from an Eligible Installment Plan Purchase.

6. Cancelling Your Installment Plan

6.1 You may cancel your Installment Plan(s) at any time by calling the number on the back of your Card or by any other method we may permit from time to time. Please allow two to three business days for processing any Installment Plan cancellations.

6.2 Partial Installment Plan cancellations are not permitted.

6.3 In the event you cancel your Installment Plan, or if your Installment Plan is cancelled by us in accordance with Section 6.4, any uncharged amount remaining on your Installment Plan will immediately be charged to your Account.

6.4 We can cancel your Installment Plan if:

6.4.1 Your Account ceases to be in Good Standing;

6.4.2 You pay your Balance and total Eligible Installment Plan Purchase in full; or

6.4.3 You are or become a resident of Quebec.

6.5 If you convert your Card to another Card issued by Duo Bank of Canada, your Installment Plan will automatically be transferred to your new Account.

6.6 The Set Up Fee will not be refunded in the event an Installment Plan is cancelled or paid in full, unless you contact us to cancel the Installment Plan within 30 days of being set up.
